

# The Littletons School - Equality Objectives

Objective	Early success indicators	Progress we are making towards this objective
Ensure accessibility across the school for students, staff and visitors regardless of need.	Building plans demonstrate access is a due consideration. All visitors to the school are able to access key spaces easily. All staff, pupils and visitors feel welcome, treated with respect and have their individual needs met.	
Ensure that the curriculum promotes diversity in role models and representations that young people can positively identify with, in respect to protected characteristics.	The curriculum reflects principles of the Equality Policy. Resources reflect diversity (e.g. through the curriculum, Collective Worship, reading materials, images).	
Ensure all pupils are given the opportunity to make a positive contribution to the life of the school.	Monitoring and promotion of the involvement of all groups of students in the extra-curricular life of the school. Key school roles (e.g. Pupil Leadership and other schoolwide opportunities) are shared fairly among pupils, with consideration given to equality. Positive discrimination is used as necessary to ensure fair representation (e.g. of pupil premium, SEND, gender).
