

The Littletons CE First School

Our Vision:

Just as God has created every individual with unique talents and skills, our school community provides a nurturing and inclusive environment, where everyone is free to explore their individual creativity and to confidently use their talents in order to achieve their God given potential and to make the world a better place.

Peter 4:10 God has given you gifts. Use them well to serve one another.

Our Christian Distinctiveness

Our promise to **belong, believe, achieve** is at the heart of our vision:

We begin by looking at the life of Peter. Originally called Simon, he was a fisherman. Jesus recognised that Simon, although he could be grumpy and irresponsible, was a man of true faith who believed that there was a power greater than him. Jesus renamed him Peter and referred to him as his rock.

We recognise that we are all different, with unique strengths and skills. Just as Jesus, recognised the potential in Peter, we recognise the God given potential in all people. We give everyone the opportunities and support to develop their talents. Jesus enabled Peter to be the best that he could be by following God and being true to his faith. This roots our belief that everyone in our school community should have the opportunity to use their individual gifts to be the best that they can, to support others and make a positive difference in the world. Just as Peter continued to spread the message following Jesus's ascension, we want our children to live out our vision during their time in school, but also beyond.

We live out our vision supported by our Christian values of: **Respect, Responsibility, Caring, Honesty and Perseverance.**

The tree in our logo reminds us that, by nurturing and providing roots for children, we help them grow into individuals who will lead fulfilling lives and reach their God given potential.

The multicoloured leaves remind us that each child is created uniquely in the eyes of God.
