

The Littletons School

Uniform Guide

Please find attached the uniform guidelines for The Littletons First School. Please note that your child will not require every item listed – in some case there are options to choose from, whilst keeping the same colour scheme.

The items with the red stars next to them are available with a school logo from The School Shop in Evesham. We do not require any of our uniform to have the school logo.

Some of the uniform will only be required in hot or cold weather. There is no set time that we change from summer to winter uniform.

Watches (not smart watches) and stud earring may be worn to school. No other jewellery is permitted, for safety reasons. The only exceptions are health bracelets and items of religious significance.

Make-up and nail varnish should not be work to school.

Please ensure that every item of uniform is named clearly so that lost uniform can be easily returned.

The Friends' Association will run a uniform 'swap-shop' at the end of every half term. You can swap uniform that no longer fits your child for a bigger size, or replace missing uniform. We ask that donated uniform is of good quality and clean (it does not need to have the school logo). This is an initiative that is designed to support families at The Littletons and to reduce clothing waste. It is free to use and can be accessed by all families at the school.
