

# Anti-Bullying Policy

A child-speak version of our school 'Peer-on-Peer Abuse Policy'

## Our Christian Vision

Just as God has created every individual with unique talents and skills, our school community provides a nurturing and inclusive environment, where everyone is encouraged to explore their individual creativity and to confidently use their talents in order to achieve their God given potential and to make the world a better place.

## Staying Safe

Staying safe means being kind, respectful and speaking up if something does not feel right. Hurtful behaviour is never okay, even if someone says it is a joke.

## Different Ways Children Can Be Hurt

- Physical hurting such as hitting or pushing
- Bullying, including online bullying
- Unkind or unsafe touching
- Being unkind because people are different

## What This Looks Like in Our School

- We look after one another, especially if someone is feeling sad or worried
- We use kind words and actions
- We respect everyone's body and personal space
- We celebrate differences and include others
- We tell the truth and ask for help when something feels wrong

## What To Do If You Are Worried

Tell a trusted adult straight away. All adults who work at our school are trusted adults, so you can tell any of them.

Our Safeguarding Adults:

- Designated Safeguarding Lead (DSL): Mr Jones
- Deputy Designated Safeguarding Lead (DDSL): Mrs Foxall
