

**What do
parents say
about SEND
provision at our
school?**

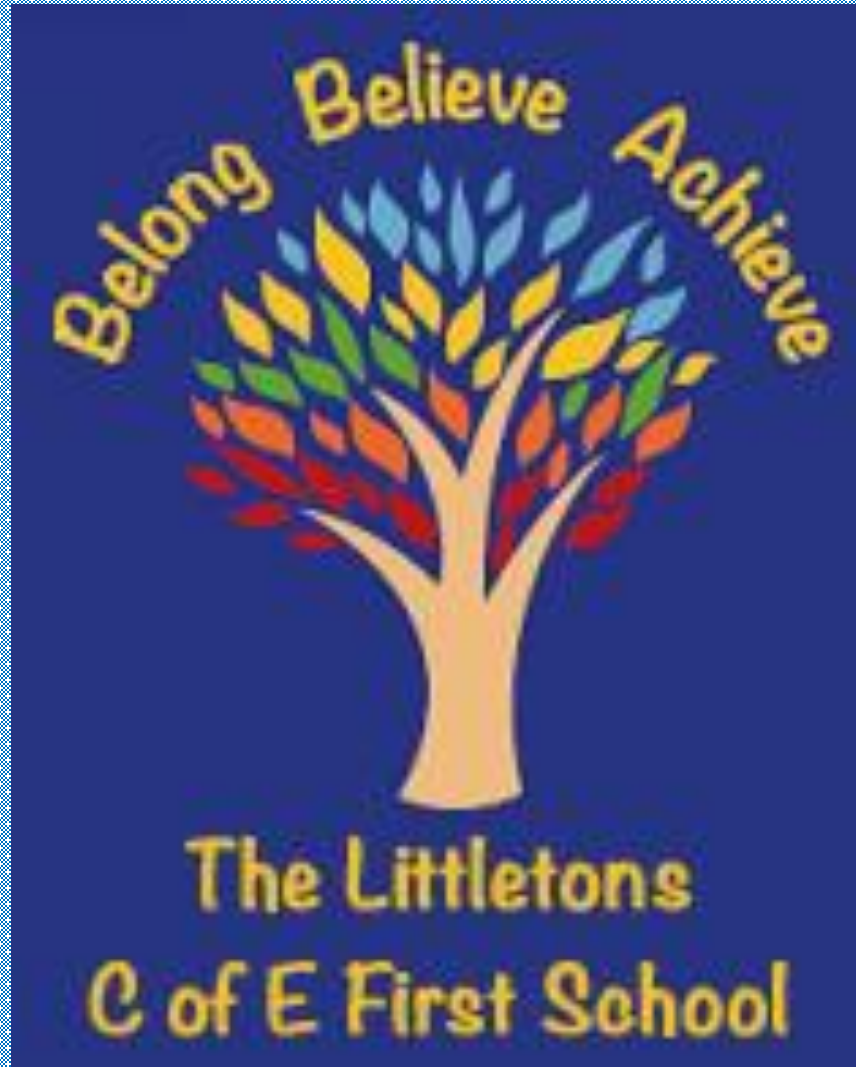

'I'm very impressed with how my child has settled into The Littletons. The Headteacher, SENCO and staff are all very approachable and friendly. My son is a lot happier at this school.'

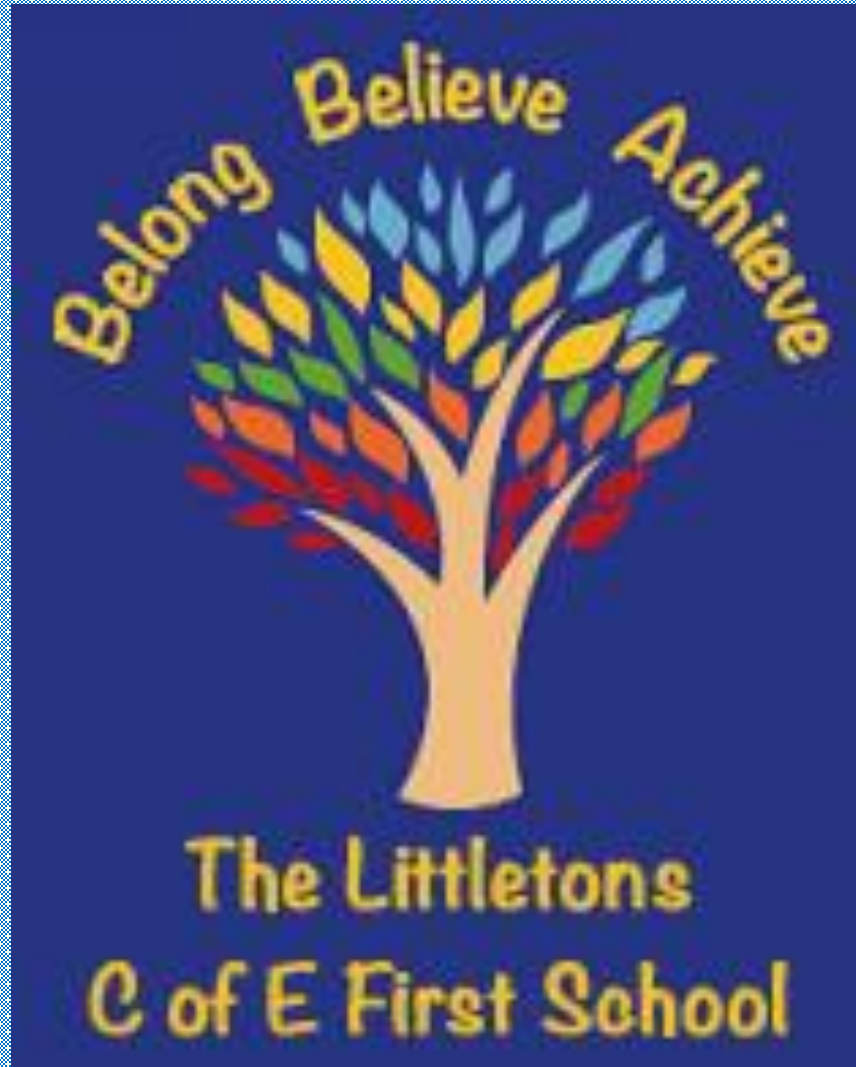

'I am super happy with the way my child has been looked after with her learning difficulties.'

'I am very happy with how my son's needs are being met and with how quickly this has been picked up as he has only been at this school for a short period of time.'

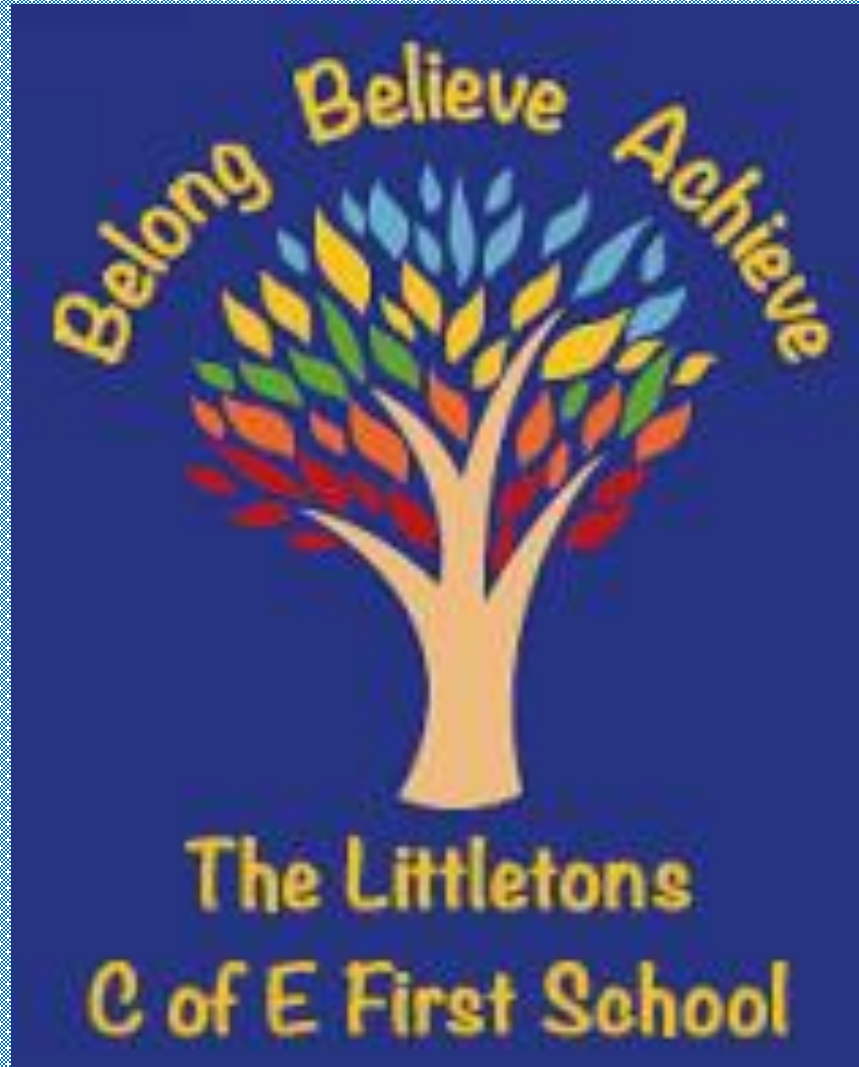

'We are extremely happy with the education our daughter receives. The school has intervened early on and for this we are very grateful. Our daughter loves school and enjoys to learn and we believe this is down to the caring and nurturing environment the school provides.'

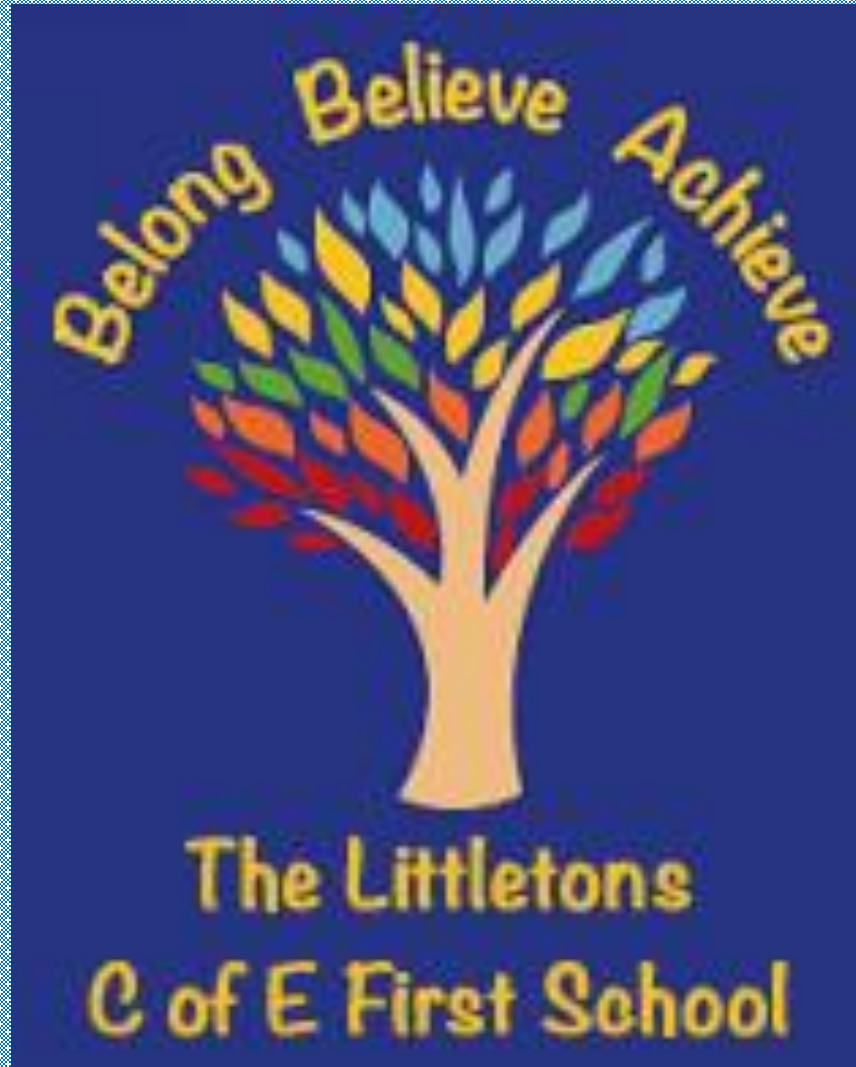

'I highly recommend all the staff with the support and help they have given, and continue to give, to my child.'

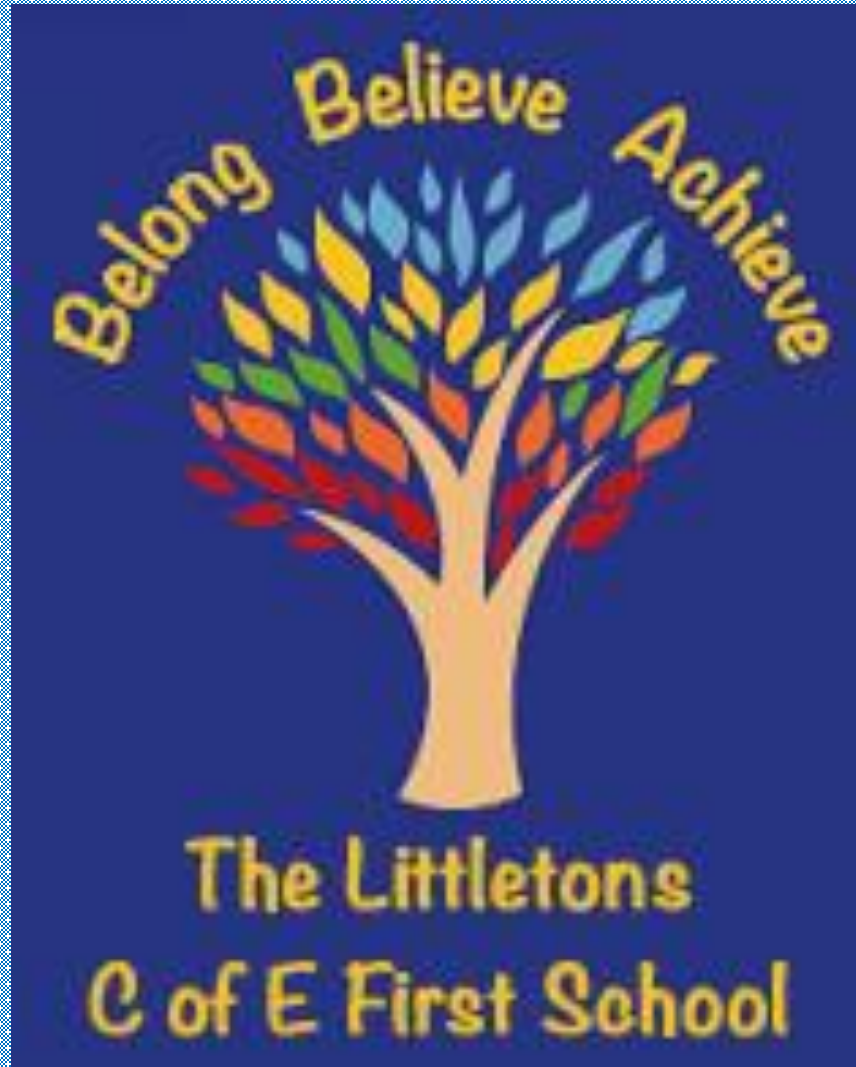

'We have been very pleased with the proactive approach the school has taken to address and refer our child for additional support.'

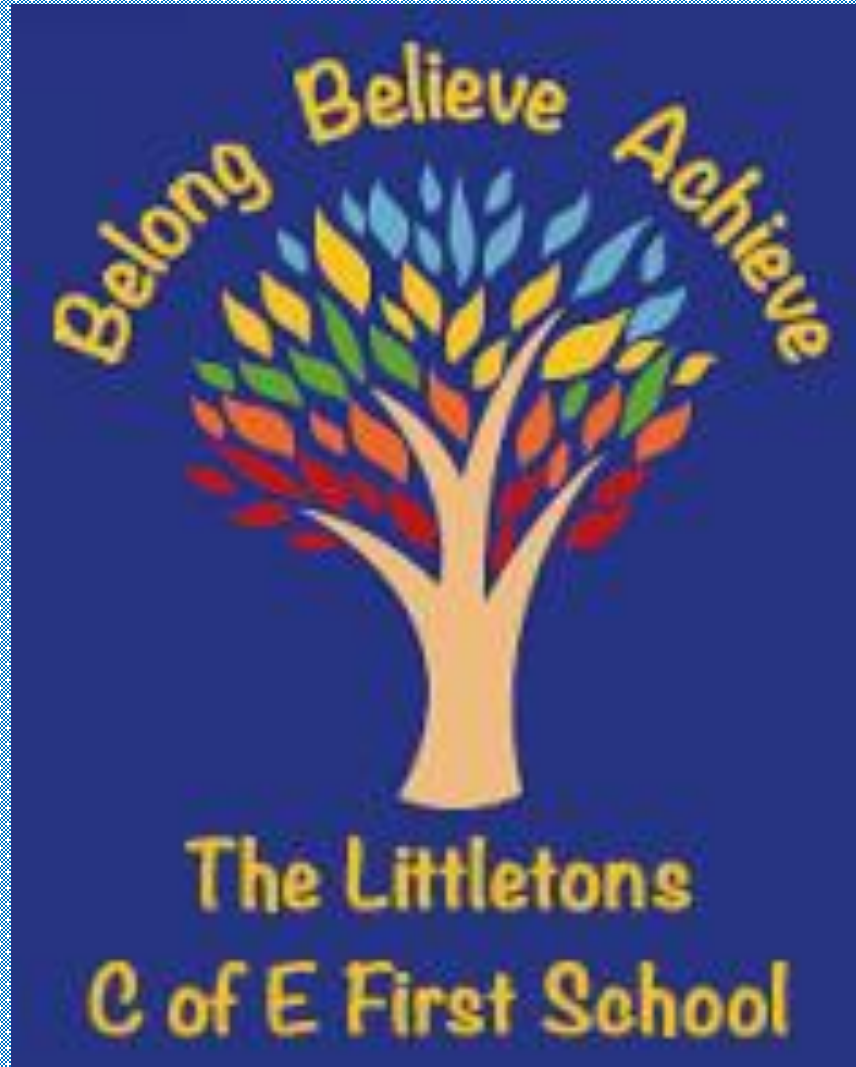

'Without the help and support from the staff, I don't know what we would do!'

'I am very impressed with the SEND provision. Our child's needs were identified quickly, appropriate referrals were made and we were fully involved. The ongoing support continues to be exceptional. I feel extremely lucky that my son attends The Littletons where I have complete confidence in the staff.'

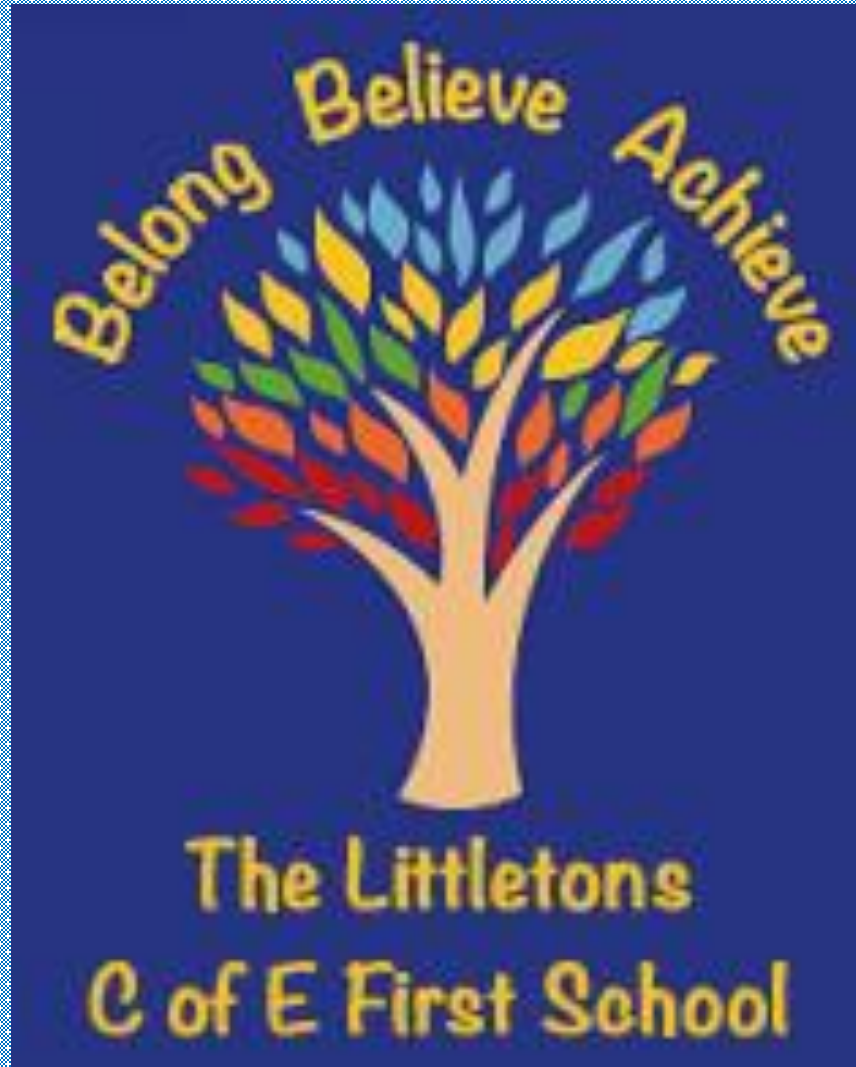

'My daughter is really well supported and has come on leaps and bounds. We would like to say a huge thank you to the staff. You have all made such a difference.'

'The SEND support and provision is to a high standard. I am very happy with all the support my son receives, and I am extremely happy that he is doing well in school.

Communication via teachers and the SENCO is also very good.'

'Myself and my child have a wonderful relationship with all the staff at the school. I could not wish for anything more from anyone involved in his education. He is always moving forward and has made me so proud with what he has achieved due to the constant support and dedication of those around him, including all the children.'
